City of Pittsburgh
c/o Ben Hayllar
Director of Finance
City/County Building
414 Grant Street, Room 215
Pittsburgh, PA 15219

Dear Sir:

Kidder, Peabody & Co.
Incorporated, as Representative (the
"Representative"), for itself and WR
Lazard, Laidlaw & Mead, Inc., Legg
Mason Wood Walker, Inc., PNC Securities
Corp. and Pryor, McClendon, Counts &
Co., Inc. (collectively, the
"Underwriters") hereby offer to enter
into this Note Purchase Contract (the
"Purchase Contract") with the City of
Pittsburgh, Pennsylvania (the "City").
Upon acceptance of this offer by the
City, this contract shall be in full force
and effect in accordance with its terms
and shall be binding upon the County and
the Underwriters. This offer is made
subject to acceptance by the City of this
Purchase Contract on or before 11:59
p.m., local time on the date hereof, or
such later time as may be mutually
agreed upon by you and the Underwriters
on the date hereof.

The Underwriters shall have the
right to form a syndicate or selling group

of other investment banking forms on whose behalf of the Underwriters would act as representative, without the consent of the City. Any authority, discretion or other power conferred upon the Representative under any of the provisions of this Purchase Contract may be exercised by the Representative on behalf of such syndicate or selling group as its representative. The payment for, acceptance of, and delivery and execution of any receipt for the Notes (hereinafter defined) and this Purchase Contract by the Underwriters, on behalf of such syndicate or selling group, shall be valid and sufficient for all purposes and binding upon the Underwriters.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations and covenants hereinafter set forth, the Underwriters hereby agree to purchase from the City for offering to the public, and the City hereby agrees to sell to the Underwriters for such purpose, all (but not less than all) of \$30,000,000 aggregate principal amount of the City's General Obligation Notes, Series of 1991A, dated February 15, 1991 (the "Notes"), at the aggregate purchase price of \$29,910,000 (representing the par amount of the Notes of \$30,000,000; less an underwriting discount of \$90,000; less the good faith deposit of \$600,000), plus interest accrued on said Notes from their dated date to the date of Closing (hereinafter defined).

2. Authorization and Security for Notes. The Notes shall be as described in, and shall be issued and secured under and pursuant to, a Resolution adopted by City Council on February 13, 1991 (the "Resolution") all, in accordance with the Pennsylvania Local Government Unit Debt Act, of April 28, 1978 (P.L. 124, No. 52), as amended (the "Act"). The Notes shall mature on November 15, 1991, shall not be subject to redemption prior to maturity and shall bear interest

at the rate of five and one quarter percent (5.25%) per annum.

The Resolution shall be substantially in the form heretofore submitted to the Underwriters. All capitalized terms not otherwise defined herein shall have the respective meanings specified in the Official Statement (defined below).

3. Initial Offering Price. The Underwriters agree to make an initial bona fide public offering of the Notes at a price not in excess of the initial public offering price set forth on the cover page of the Official Statement, hereinafter described, plus interest accrued thereon from February 15, 1991 to the date of the Closing, (but reserve the right to change such initial price as the Underwriters shall deem necessary in connection with the marketing of the Notes).

3A. Good Faith Deposit. There is delivered to the City herewith a check payable to the order of the City in the amount of \$600,000, representing two percent (2%) of the principal amount of the Notes, as security for the performance by the Underwriters of their obligations to accept and pay for the Notes at the Closing in accordance with the terms of this Purchase contract. In the event the City does not accept this offer, such check may be cashed and invested. At the Closing and upon compliance with the Underwriters' obligations to accept and pay for the Notes as provided in Section 1 hereof, the amount of such check, without adjustment for interest earned shall be applied toward the purchase price of the Notes at that time. In the event of the City's failure to deliver the Notes at the Closing, or if the City shall be unable to satisfy the conditions of the obligations of the Underwriters contained herein, or if the obligations of the Underwriters shall be terminated for

any reason permitted by this Purchase Contract, the amount of such check shall be immediately returned to the Underwriters. In the event that the Underwriters fail (other than for a reason permitted hereunder) to accept and pay for the Notes at the Closing, the amount of such check and all income earned thereon shall be retained by the City as and for full liquidated damages for such failure and for any and all defaults hereunder on the part of the Underwriters and the payment of such amount shall constitute a full release and discharge of all claims and rights hereunder against the Underwriters, and the City shall have no further causes of action for damages, specific performance or any other legal or equitable relief against the Underwriters.

4. Delivery of Official Statement. Concurrently with the acceptance hereof, the City shall deliver to the Representative a copy of the form of the Official Statement of the City, dated the date hereof, executed by the City and relating to the Notes (together with all appendices thereto, the "Official Statement"). The Official Statement shall be substantially in the form of the Preliminary Official Statement dated February 26, 1991 (the "Preliminary Official Statement") with only such changes therein as shall have been accepted by the Underwriters. As of its date, the Preliminary Official Statement was "deemed final" by the City for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934, except for the omission of certain permitted terms.

The City agrees to deliver or cause to be delivered to the Underwriters sufficient copies of the final Official Statement within seven business days after the date hereof to enable the Underwriters to provide a final Official Statement with confirmation of the

purchase of the Notes to customers.

The City authorizes the Official Statement and the information contained therein to be used in connection with the public offering and sale of the Notes, and ratifies and approves the prior distribution of the Preliminary Official Statement by the Underwriters.

If, between the date hereof and the 90th day (the 25th day if the Official Statement is available from a nationally recognized municipal securities information repository) following the end of the underwriting period for the Notes (within the meaning of Rule 15c2-12 under the Securities Exchange Act of 1934), any event shall occur which would cause of the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and if, in the opinion of the City, or the Representative, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the City shall cooperate to cause the official Statement to be amended or supplemented in the form approved by the Representative and to supply such amendment or supplement in reasonable quantity. As provided in Section 10 hereof, the cost of such amendment or supplement shall be borne by the City (to the extent the same is not paid from Note proceeds). The Underwriters agree to advise the city if an unsold balance of the Notes remains for sale to the public by the Underwriters following the Closing as defined in paragraph 8 hereof. The Underwriters agree to deliver a copy of the Official Statement to a nationally recognized municipal securities information repository.

5. Accountant's Letter.

Concurrently with acceptance hereof, a representative of KPMG Peat Marwick shall verbally advise the Representative that KPMG Peat Marwick has consented to the use of its audit of the City in the Preliminary Official Statement.

6. Closing. At 10:30 a.m., local time, on March 19, 1991 or at such other time or on such earlier or later business day as shall have been mutually agreed upon by the City and the Representative, the City shall cause to be delivered to the Underwriters, at a place mutually agreed upon, the Notes in definitive form, duly executed and authenticated. The Notes shall be delivered in fully registered form, issued in \$5,000 denominations or multiples thereof. The Notes will be made available to the Underwriters for inspection at least twenty-four (24) hours prior to the Closing, at a place mutually agreed upon by the City and the Underwriters. The City will deliver to the Representative at such location in Pittsburgh, Pennsylvania as the City and the Representative mutually agree, or at such other place as shall have been mutually agreed upon by the City and the Representative at such time and on such date, the Closing documents hereinafter mentioned, and the Representative will accept such delivery and pay the purchase price of the Notes as set forth in Section 1, in Pittsburgh by Federal Funds wire payable to the order of the City. Such payment and delivery is herein called the "Closing".

7. City Representations, Warranties and Covenants.

(a) The City represents and warrants to the Underwriters that at the time of acceptance hereof:

(i) The City is not and has not been in default on any of its bond or other debt obligations since 1975.

(ii) The City is a public body

corporate and politic of the Commonwealth of Pennsylvania and pursuant to the Pittsburgh Home Rule Charter, effective January 5, 1976 adopted pursuant to Article IX, Section 2 of the Constitution of the Commonwealth of Pennsylvania and the Pennsylvania Home Rule Charter and Optional Plans Law, Act No. 62 of April 13, 1972 and pursuant to the Act, the City has, and at the date of the Closing will have, full legal right, power and authority (i) to adopt the Resolution (ii) to enter into this Purchase Contract, (iii) to issue, sell and deliver the Notes to the Underwriters as provided herein, and (iv) to carry out and to consummate the transactions contemplated by this Purchase Contract, the Resolution and the Official Statement.

(iii) The City has complied in all respects with the Act.

(iv) By official action of the City prior to or concurrently with the acceptance hereof, the City has duly authorized and approved all necessary action to be taken by it for the issuance and sale of the Notes upon the terms set forth herein and in the Official Statement and the approval, execution and delivery by it of the Official Statement, the Resolution and this Purchase Contract and any and all such other agreements, certificates and documents as may be required to be executed and delivered by the City or any of its officers in order to carry out, give effect to, and consummate the transactions contemplated hereby and by the Official Statement.

(v) The Notes and the Resolution conform to the descriptions thereof contained in the Official Statement, and the Notes, when issued, authenticated and delivered in accordance with the Ordinance and sold to the Underwriters as provided herein, will be validly issued, and will be valid and binding general

obligations of the City enforceable in accordance with their terms, except as enforcement thereof may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally and by the application of equitable principles if equitable remedies are sought.

(vi) All approvals, consents, orders and actions of, and filings and submissions with, any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to the adoption of the Resolution, the issuance of the Notes, and the execution or delivery of this Purchase Contract, have been obtained or made or will be obtained or made prior to the Closing.

(vii) There is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending or, to the knowledge of the City, threatened against or affecting the City or affecting the existence of the City or the titles of its officers to their respective offices or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Notes or the pledge of revenues or assets of the City pledged or to be pledged to pay the principal of, and interest on the Notes, or in any way contesting or affecting the validity or enforceability of the Notes, the Resolution, or this Purchase Contract or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement, or contesting the power or authority of the City for the issuance of the Notes or execution and delivery of the Resolution, or this Purchase Contract, nor, to the knowledge of the authorized representative of the City executing this Purchase Agreement any unfavorable decision, ruling or finding that would materially adversely affect (A) the transaction contemplated by this

Purchase Contract or by the Official Statement or the validity or enforceability of the Notes, the Resolution, this Purchase Contract or any agreement or instrument to which the City is a party and which is used or contemplated for use in the consummation of the transactions contemplated by this Purchase Contract or by the Official Statement, or (B) the exclusion from gross income of the interest on the Notes for federal income tax purposes.

(viii) The City is not in material breach or default with respect to any applicable law or administrative regulation of the Commonwealth of Pennsylvania or the United States or the Resolution or any other instrument to which the City is a party or is otherwise subject, the effect of which would have a materially adverse financial impact on the City or its ability to validly issue, sell or deliver the Notes; and the execution and delivery by the City of the Official Statement, this Purchase Contract, the Notes, the Resolution and the other documents contemplated hereby and by the Official Statement, do not, and compliance with the provisions thereof will not, conflict with or constitute on the part of the City a violation or breach of or a default under law or administrative rule or regulation, or any court or administrative decree or order, or any indenture, mortgage, lease, sublease, loan agreement, note, resolution, agreement or other instrument to which the City is a party or by which it may be bound; and when executed and delivered by the City (assuming proper execution and delivery by the other parties thereto), this Purchase Contract and the Resolution will be the legal, valid and binding agreements of the City enforceable in accordance with their terms, except as enforcement thereof may be limited by bankruptcy, insolvency or other laws affecting the enforcement

of creditors' rights generally and by the application of equitable principles if equitable remedies are sought.

(ix) Any certificate signed by an authorized officer of the City and delivered to the Underwriters shall be deemed a representation and warranty of the City to the Underwriters as to the statements made therein.

(x) As of the date hereof and at all times subsequent thereto up to and including the date of the Closing, the information furnished by or relating to the City in the Preliminary Official Statement and the Official Statement (including the financial statements and other financial and statistical data contained in the Preliminary Official Statement and the Official Statement) is true and correct in all material respects and does not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. As of the date hereof and at all times subsequent thereto up to and including the date of Closing, as to information in the Official Statement and Preliminary Official Statement other than information covered by the preceding sentence, the City, without having undertaken any independent investigation as to such information, has no reason to believe that such information contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(xi) To the best of the knowledge of the City officer executing this Purchase Contract, after reasonable investigation, the financial statements of the City contained in the Preliminary Official Statement and the Official Statement are complete and correct in all material

respects and present fairly the financial position of the City as of the date hereof. As of the date hereof, there has been no material adverse change in the financial position or results of operations of the City since the date of such financial statements, except as disclosed in the Official Statement.

(xii) The City has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the City is an issuer whose arbitrage certificates may not be relied upon.

(b) The City covenants to the Underwriters that:

(i) The City will include in its budget for each fiscal year the amount of debt service on the Notes payable that year; appropriate such amount from its general revenues for the payment of debt service on the Notes; and duly and punctually pay or cause to be paid the principal of, and interest and premium, if any, on the Notes.

(ii) The proceeds of the Notes will not be used in such manner or to such extent as would result in interest on the Notes becoming included in gross income for federal income tax purposes under Section 103 of the Code.

(iii) Between the date hereof and the date of Closing, the City will take no action that would have a material adverse effect on its financial condition or that will cause any of the representations or warranties contained in Section 7(a) hereof to be no longer true.

(c) The City agrees to cooperate with the Underwriters in any endeavor to qualify the Notes for offering and sale under the securities or "Blue Sky" laws of such jurisdictions of the United States as the Underwriters may request. The City consents to the use of Preliminary

Official Statement and drafts of the Official Statement prior to the availability of the Official Statement by the Underwriters in obtaining such qualification.

8. Conditions to Underwriters' Obligation. The obligations of the Underwriters hereunder are subject to the following conditions:

(a) At the time of the Closing, (i) the Official Statement shall have been approved by the City and the Resolution shall be in full force and effect and shall not have been amended, modified or supplemented prior to the Closing except as may have been agreed to in writing by the Representative and the City shall have duly adopted and there shall be in full force and effect such additional resolutions or agreements as shall, in the opinion of Cohen & Grigsby, a Professional Corporation, Bond Counsel, be necessary in connection with the transactions contemplated hereby, (ii) the representations and warranties of the County provided in Section 7 hereof shall be true, complete and correct in all material respects as if then made, (iii) the City shall perform or have performed all obligations required under or specified in this PURCHASE CONTRACT to be performed at or prior to the Closing, and (iv) the proceeds of the sale of the Notes shall be applied as described in the Official Statement.

shall be made, with respect to federal taxation upon revenues or other income of the general character expected to be derived by the City, or upon interest received on bonds or notes of the general character of the Notes, which would have the effect of changing directly or indirectly the federal income tax consequences of interest on the Notes or on obligations of the general character of the Notes in the hands of the holders thereof, or which materially and adversely affects the market price of the Notes; (ii) legislation shall be enacted or any action shall be taken by the Securities and Exchange Commission which, in the opinion of the Representative, has the effect of requiring the contemplated distribution of the Notes to be registered under the Securities Act of 1933, as amended, (iii) there shall exist any event which, in the judgment of the Representative either (A) makes untrue or incorrect in any material respect any material statement or information contained in the Official Statement, or (B) is not reflected in the Official Statement but should be reflected therein in order to make the statements and information contained therein not misleading in any material respect; (iv) there shall have occurred any outbreak or escalation of hostilities or other unforeseen national or international calamity or crisis or any material adverse change in the financial markets, and the effect of such outbreak, escalation, calamity, crisis or change on the financial markets of the United States is, in the judgement of the Representative, such that there is a material and adverse effect on the marketability of the Notes; (v) there shall be in force a general suspension of trading, minimum or maximum prices for trading shall have been fixed and be in force, or maximum ranges for prices for securities shall have been required and be in force on the New York Stock Exchange, or by order of the Securities and Exchange Commission or any other

governmental authority having jurisdiction: (vi) a general banking moratorium shall have been declared by federal or Commonwealth authorities having jurisdiction and shall be in force; (vii) a stop order, ruling, regulation or official statement by or on behalf of the Securities and Exchange Commission shall be issued or made to the effect that the issuance, offering or sale of the Notes, or of obligations of the general character of the Notes, is in violation of any provision of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended; (viii) any state "Blue Sky" or securities commission shall have withheld registration, exemption or clearance of the offering, and in the judgement of the Representative the market for the Notes is materially and adversely affected thereby; or (ix) a supplement or amendment shall have been made to the Official Statement subsequent to the date hereof which in the judgement of the Representative materially and adversely affects the marketability of the Notes or the market price thereof.

(c) At or prior to the Closing, the Representative shall receive at least four copies of the following documents:

(ii) The unqualified approving opinion of Cohen & Grigsby, a Professional Corporation, Bond Counsel, as to the Notes, dated the date of Closing, satisfactory in form and substance to the Representative.

(C) The execution, the delivery, the consummation of the transactions contemplated by the fulfillment and compliance with the terms of the Notes, the Resolution and this Purchase Contract, under the circumstances contemplated thereby, do not and will not conflict with or constitute on the part of the City a breach of or default under any indenture, mortgage, deed of trust or other instrument of which such counsel has knowledge to which the City is a party or by which it is or may be bound or any existing law, regulation, administrative or court order or decree to which the City is or may be subject.

(D) The Official Statement has been duly authorized, approved, signed and delivered by the City.

(E) All action taken by members of the City in connection with the sale of the Notes and the projects for which the Notes are being issued have been in compliance in all respects with the provisions of the Act of the General Assembly of Pennsylvania, approved July 3, 1986.

(vii) A certificate, dated the date of the Closing, of an authorized official of the City representing the same as is represented in Section 7(a)(x) hereof.

(viii) A certificate, dated the date of the Closing, of the City and executed by the principal financial or accounting officer of the City stating: (a) the amount and use of proceeds (as "proceeds" is defined in Section 148 of the Code and the regulations thereunder) of the Notes, and the facts and estimates on which the expectations of the City are based; and (b) that to the best of the knowledge and belief of the officer executing such certificate, the

expectations of the City are reasonable and there are no other facts, estimates or circumstances that would materially change such expectations; and (c) such other information sufficient in form and substance to show to the satisfaction of Co-Bond Counsel and the Underwriters that the Notes will not be arbitrage bonds under Section 148 of the Code and the regulations thereunder.

(ix) A certificate, dated the date of the Closing, of the principal financial or accounting official of the City in which such officer states that: (A) the representations and warranties of the City in this Purchase Contract are true and correct in all material respects as of the date of the Closing; (B) such officer has received the letter delivered by KPMG Peat Marwick pursuant to subsection (x) of this Section, and that, subsequent to the date of the latest audited financial statements in the Official Statement, there has been no material adverse change in the financial position or results of operations of the City except as set forth in or contemplated by the Official Statement or as described in such letter; (C) no litigation is pending or, to the knowledge of such officer, threatened (1) to restrain or enjoin the collection of revenues sufficient to enable the City to perform its obligations under the Ordinance, (2) in any way contesting or affecting any authority for the issuance, sale, execution or delivery of the Notes, or (3) which, in the opinion of such officer, would have a material adverse effect upon the financial condition of the City if decided adversely to the City; and (D) no event has occurred that would constitute a material default (including, but not limited to, any event that would permit acceleration) on the part of the City in any ordinance or agreement relating to indebtedness of the City or that causes the City to believe it will default in any material way with respect to its obligations under any such

ordinance or agreement.

(x) A letter of KPMG Peat Marwick dated the date of the Closing, addressed to the Underwriters in the form acceptable to the Representative.

(xi) Such additional legal opinions, certificates, proceedings, instruments, letters and other documents as the Representative or Bond Counsel shall reasonably request.

If the City shall be unable to satisfy the conditions to the obligations of the Underwriters contained in this Purchase Contract, or if the obligations of the Underwriters shall be terminated for any reason permitted by this Purchase Contract, this Purchase Contract shall terminate and neither the Underwriters, nor the City shall have any further obligations hereunder, except as provided in Sections 10 and 3A hereof. However, the Underwriters may, in their discretion, waive one or more of the conditions imposed by this Purchase Contract for the protection of the Underwriters and proceed with the Closing.

No. 238. RESOLUTION authorizing an investigation and study regarding the necessity for the City to fund and operate City Court, including Traffic

Court and Housing Court, given the fact that there are seventeen elected district justices within the city who are legally empowered to perform all of the functions presently being performed by the appointed City Court Magistrates; and given the further fact that the elected district justices are officers of, and are compensated by, the Commonwealth of Pennsylvania, and their staffs, courtrooms, offices, equipment, supplies and the like are paid for by the County of Allegheny; and directing the City Controller, the Chief Magistrate of City Court, and the Director of Public Safety to assemble information pertaining to the operation of City Court, including Traffic Court and Housing Court, and to report the same to the Members of Council.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. This Council hereby authorizes and directs an investigation and study regarding the necessity of continuing to maintain City Court as an integral part of City government, since it appears to the Members hereof that there are presently seventeen elected district justices within the City; that each of the aforesaid district justices presently has a courtroom, offices, and staff located in the several neighborhoods of the City in which said district justice regularly and customarily transacts any and all judicial business within his or her jurisdiction; that said district justices have all of the powers and authority conferred upon the appointed City Magistrates by the law of this Commonwealth; and that the costs of the aforesaid district justices, their staffs and physical facilities are provided by the Commonwealth and the County of Allegheny, rather than the City. No. 281. WHEREAS, the Community Development Block Grant (CDBG) Program has operated since 1974 to provide local governments with the resources required to meet the needs of low and moderate income individuals and families; and,

WHEREAS, CDBG funds are used by thousands of local governments and cooperating nonprofit organizations throughout the nation to address pressing neighborhood and human service needs; and,

WHEREAS, in the last several years the federal government has

continued to reduce assistance to local governments; and,

WHEREAS, during this time the problems of our citizens have grown as evidenced by the dwindling supply of affordable housing, the massive rise in homelessness, and the resurfacing of hunger and malnutrition; and,

WHEREAS, this federal withdrawal from responsibility has shown that the CDBG Program has assumed increasing importance for meeting vital community needs; and,

WHEREAS, the Congress, the Administration and the nation have often overlooked the critical value of the CDBG Program and the significant number of projects and people that rely on its funds for support; and,

WHEREAS, the CDBG Program must continue to receive full and adequate funding and must not be subject to any changes in its structure or in the distribution of its funds.

WHEREAS, the City of Pittsburgh has designated the week of April 1-7, 1991 as NATIONAL COMMUNITY DEVELOPMENT WEEK in the City of Pittsburgh.

NOW, THEREFORE, BE IT RESOLVED, that the City of Pittsburgh urges Senator Heinz and Specter and the Western Pennsylvania Congressional Assembly to consider the important role that CDBG funds play in the local community and to support full funding for the program; and,

BE IT FURTHER RESOLVED, that copies of this resolution be presented to the appropriate officials and also be prominently displayed so that all citizens in the community can realize the need for the Community Development Block Grant Program.

No. 282. WHEREAS, the practice of replacing workers who go on strike has increased dramatically since 1981; and,

WHEREAS, the right of workers to withhold their labors as leverage during negotiations has been an essential element of the collective bargaining process; and,

WHEREAS, employee faith in the collective bargaining process is damaged by any undermining of this basic right; leading to the probability of prolonged and disruptive labor disputes and increased economic hardship; and,

WHEREAS, an increasing number of employers during the 1980's turned to a 1938 Supreme Court ruling which legalized the "replacement" of striking workers, and a 1986 decision which authorized preferential treatment for strikebreakers; the balance of power which insured fair and expedient negotiations in the conduct of labor disputes, has been effectively diminished; and,

WHEREAS, approval by Congress of H.R.5 and S.55 would restore the right to strike, to its historical status as a legitimate tool within the collective bargaining process; and,

WHEREAS, proposed amendments H.R.5 and S.55 to the National Labor Relations Act would make it unlawful to offer permanent employment, or employment preference, to an individual who would work during a strike; and,

WHEREAS, these amendments would further prohibit employers in providing benefits to workers who could cross the picket line and return to work; thus protecting the rights of, and preventing retribution against, workers who participate in such a job action; and,

WHEREAS, this legislation is essential to restoring the integrity and purpose of the National Labor Relations Act, which established a time-tested process for the fair and equitable disposition of labor disputes.

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Pittsburgh calls upon the United States Congress to enact amendments H.R.5 and S.55 to the National Labor Relations Act, restoring the right of workers to withhold their labors as leverage during collective bargaining negotiations.

congestion in the public
street; and
- f. That the proposed use
will not, in all other
respects, conform to the
applicable regulations of
the district in which it is
located.

SECTION 2. It is further resolved
that the following findings of the
Planning Commission are herewith
adopted:

- a. That the establishment,
maintenance, location
and operation of the
proposed parking area
will not affect public
morals, and will not be
detrimental to or
endanger public health,
safety, comfort or
general welfare in that
all site improvements
are consistent with the
character and features
of the existing
neighborhood. The front
of the property will be
improved with a compact
evergreen hedge; and
- b. The proposed parking
area will not be injurious
to the use and enjoyment
of other property in the
immediate vicinity.
Further, the operation of
the parking area will not
substantially diminish or
impair property values
within the neighborhood
as demonstrated by the
maintenance of property

values in this specific neighborhood; and

- c. The establishment of the proposed parking will not impede the normal and orderly development and improvement of surrounding property for uses permitted in that district in that the neighborhood contains a mixture of non-residential occupancies and is directly across from an "M2" Industrial zone with various industrial and commercial occupancies; and
- d. The proposed parking area will not affect the capacity or use of utilities, access roads, drainage and other necessary facilities; and
- e. Traffic congestion on public streets will not be affected by this project as the parking area is small in scope and is intended for employees of an existing business; and
- f. The proposed parking area will, in all other respects, conform to the applicable regulations of the district in accord with Zoning Board of Adjustment Case No. 591(90).

SECTION 3. Under the provisions of Section 993.01(a)A-4 of the Pittsburgh Code, approval is hereby granted to Rajiv R. and Swarna Varma for authorization to use the property located at 1823 LOCUST STREET as a parking

area for six (6) automobiles on property zoned "R2" Two-Family Residence District to service an office building located at 1811 Boulevard of the Allies, 1st Ward, City of Pittsburgh, in accordance with Conditional Use Application No. 599, and accompanying Plot Plan, which are on file in the Office of the Zoning Administrator, Department of City Planning, and which are incorporated herein by reference thereto.

SECTION 4. Any Resolution or Ordinance or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution.

No. 572. RESOLUTION approving a Conditional Use Exception under Section 993.01(a)(8) of the Pittsburgh Code, Title Nine, Zoning, Article V, Chapter

993 to the University of Pittsburgh, Medical Center, agent on behalf of the Department of General Services of the Commonwealth of Pennsylvania for authorization to construct a 200,000 square feet, ten-story medical research facility atop the existing VICTORIA STREET PARKING GARAGE on the northerly side of VICTORIA STREET at

DARRAGH STREET on property zoned "I-C" Institutional-Civic District, 4th Ward.

WHEREAS, the Planning Commission of the City of Pittsburgh has made certain findings with regard to the Conditional Use Application for the proposed ten-story medical research facility located atop the existing Victoria Street Parking Garage;

WHEREAS, the Planning Commission of the City of Pittsburgh has recommended APPROVAL of this application for Conditional Use;

WHEREAS, City Council has reviewed the record of the Planning Commission and herewith adopts the findings and recommendation of the Planning Commission;

NOW THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. Upon review of the record as provided by the Planning Commission of the City of Pittsburgh, it is herewith affirmed that the proposed ten-story medical research facility atop the existing VICTORIA STREET PARKING GARAGE has properly met the standards as provided in the Pittsburgh Code, Section 993.01(a)D, and none of the following findings were made:

A. That the establishment, maintenance, location and operation of the proposed use will be detrimental to or endanger the public health, safety, morals, comfort or general welfare; and

B. That the proposed use will be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes permitted, nor substantially diminish or impair property values within the neighborhood; and

C. That the establishment of the proposed use will impede the normal and orderly development and improvement of surrounding property for uses permitted in that district; and

D. That adequate facilities, access roads, drainage and other necessary facilities have not been or will not be provided; and

E. That adequate measures have not been or will not be taken to provide ingress and egress designated so as to minimize traffic congestion in the public streets; and

F. That the proposed use will not, in all other respects, conform to the applicable regulations or the district in which it is located.

SECTION 2. It is further stated that the following findings of the Planning Commission are herewith adopted:

A. That the establishment, maintenance, location and operation of the proposed use will not be detrimental to or endanger the public health, safety, comfort or general welfare. The proposal is consistent with the surrounding medical uses and the size of the structure is compatible with surrounding structures. In addition the structure is of sufficient distance from residential properties so as not to be detrimental to these; and

B. The proposed medical research facility will not be injurious to the use and enjoyment of other property in the immediate vicinity. All property in the immediate vicinity contains compatible uses which should actually benefit from the proposed facility. Residential values should not be affected by the proposed project; and

C. The proposal will not affect the

orderly development of the surrounding property. The garage upon which the proposed building will be built was designed for an additional ten floors, and this additional structure was part of an earlier approved Master Plan; and

D. Utilities and other facilities have been found to have adequate capacity for the proposed project; and

E. There will be no additional vehicular egress and ingress for this project on-site, so that traffic congestion will not be worsened. The Towerview Garage, where required parking will be provided, has been designed and approved for the number of vehicles it can accommodate, with appropriate traffic mitigation measures in place; and

F. In all other aspects, the proposed facility does conform to all applicable regulations of the I-C District.

SECTION 3. Under the provisions of Section 993.01(a)(8) of the Pittsburgh Code, approval is hereby granted to the University of Pittsburgh Medical Center, agent on behalf of the Department of General Services of the Commonwealth of Pennsylvania for authorization to construct a 200,000 square feet, ten-story medical research facility atop the existing VICTORIA STREET PARKING GARAGE on the northerly side of VICTORIA STREET at DARRAGH STREET on property zoned "I-C" Institutional-Civic District, 4th Ward, City of Pittsburgh, in accordance with Conditional Use Application No. 606, and accompanying Plans filed by Burt Hill Kosar Rittelman, Architects, which are on file in the Office of the Zoning Administrator, Department of City Planning, and which are incorporated herein by reference thereto.

SECTION 4. Any Resolution or Ordinance or part thereof conflicting with the provisions of this Resolution is

hereby repealed so far as the same affects this Resolution.

Protection Agency (EPA) requirements may be met in the future; and,

WHEREAS, the construction and long-term utilization of such a dangerous facility begs the larger public policy question of managing toxic waste through mandating more efficiency and reduced output of pollutants by private industry.

- B. The proposed helistop will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes permitted, in that helicopter events and their associated noise will be of limited occurrence and duration; nor will operation of the proposed use substantially diminish property values as demonstrated by maintenance of property values in the neighborhood despite a relatively high ambient noise level and existing helicopter overflights; and
- C. - D. The proposed helistop will not affect the capacity or use of utilities, access roads, and other necessary facilities and is designed in a manner which meets City, State and Federal requirements; and
- E. Traffic congestion on public streets will not be affected as the helistop does not involve use of public streets; and
- F. The proposed helistop complies with

all applicable regulations of the zoning district and the regulations for helicopter landing areas.

No. 787. WHEREAS, many documents and much of the legislation written or adopted in these Chambers refer to people with disabilities by personifying their disabilities as "the blind", "the disabled", "the handicapped", "the mentally retarded", "the deaf", and so

No. 854. RESOLUTION authorizing a study into the powers of City Council to regulate the operation of railroads within City limits.

BE IT RESOLVED BY THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. authorizing and directing the Law Department to determine what powers this Council has under the current law to regulate the operations of railroads within the City limits and, in the absence of any legislative powers, to study and ascertain whether the City, as a municipality, has a cause or causes of action against any railroad that is operating in an unsafe manner causing an unreasonable risk of harm to City residents and to report its findings and conclusions to this Council.

SECTION 2. This Council hereby takes notice of the numerous derailments that have occurred recently in and about this City on the properties of railroads that serve this area. this Council further takes notice that in many instances such derailments have imposed a substantial burden on the services that this City provides, including those of the Department of Public Safety, and that such derailments have caused, and if permitted to continue to occur will cause, a serious threat to the health, welfare and safety of those who reside, work and visit this City. Finally, this Council takes notice of the fact that the existing railroad lines through this City are located in close proximity to schools,

colleges and universities, hospitals, other institutions such as the State Correctional Institution in the Woods Run Section, and residential neighborhoods and that a derailment that causes hazardous materials to be released could, and most likely would, have an adverse impact on the services provided by this City and the lives of its residents and visitors.

SECTION 3. This Council, and its individual members, have received numerous inquiries and complaints from numerous individuals and organizations, including residents whose lives have been affected adversely by past derailments and labor organizations whose members work for the various railroads serving this area, concerning the manner in which the railroads are now maintaining the tracks and roadbeds within this City and the manner in which railroad rolling stock is being operated herein.

SECTION 4. This Council is cognizant of the enactment of the Railway Safety Act by Congress and that said Act provides for the substantial preemption of the area of railroad regulation by the federal government. Nevertheless, this Council has been advised that federal regulation of railroads is not effective insofar as the same is being carried out in and about this city, which advice seems to be substantiated by the reoccurring derailments referred to herein.

SECTION 5. This Council recognizes that it has the obligation to exercise its legislative powers in such a manner as to promote and insure the health, welfare and safety of those persons who reside, work, study, seek medical attention or merely visit this City.

SECTION 6. In order to enable this Council to fully discharge its duties and obligations to the aforesaid persons, the Department of Law is directed to

conduct such investigation and study as is reasonably necessary to enable it to report to this Council as to what powers it possesses to exercise its legislative powers to regulate the operation of railroads passing through this City, including the manner in which such railroads construct, repair and maintain tracks and rights of way within this City.

SECTION 7. The Department of Law also is directed to conduct such investigation and study as is reasonably necessary to enable it to advise this Council whether this City, as a municipality, is entitled to commence one or more legal actions against the railroads that operate within the City for the purpose of enjoining any and all operations which are not being conducted in strict conformity with existing federal law. In requesting this information, this Council is aware that the County of Allegheny has resorted to judicial action to enjoin the operation of so-called "nuisance bars" within this City, notwithstanding the fact that the enforcement of liquor laws and the regulation of those who dispense alcoholic beverages is primarily the responsibility of the Commonwealth of Pennsylvania.

SECTION 8. The Department of Law is requested to report its findings and conclusions to this Council within 30 days from the date that this Resolution is adopted.

SECTION 9. Since the information required by this Resolution can be assembled and furnished by employees of the City within the scope of their normal and customary duties, no appropriation of funds is necessary at this time.

SECTION 10. Any questions that arise as to the scope of the study and investigation authorized hereby should be addressed to the Chairman of the Public Safety Committee of this Council.

SECTION 11. Any Resolution or Ordinance or part thereof, conflicting with the provisions of this Resolution is hereby repealed so far as the same effects this Resolution.

No. 908. RESOLUTION approving a Conditional Use Exception under Section 993.01(A)A(8) of the Pittsburgh Code, Title Nine, Zoning, Article V, Chapter 993 to Mercy Hospital of Pittsburgh for authorization to construct a five-story, 110,000 square feet addition, with a one-story penthouse and a front yard depth of eleven (11") inches along LOCUST STREET, to the existing hospital structure located at 1400 LOCUST STREET, on property zoned "I-C" Institutional-Civic District, First Ward.

WHEREAS, the Planning Commission of the City of Pittsburgh has made certain findings with regard to the Conditional Use Application for the proposed five-story hospital addition located at 1400 LOCUST STREET;

WHEREAS, the Planning Commission of the City of Pittsburgh has recommended APPROVAL of this application for Conditional Use, including reduction of the Building setback along LOCUST STREET to eleven (11") inches;

WHEREAS, City Council has

reviewed the record of the Planning Commission and herewith adopts the findings and recommendation of the Planning Commission;

NOW THEREFORE, BE IT
RESOLVED BY THE CITY OF
PITTSBURGH AS FOLLOWS:

SECTION 1. Upon review of the record as provided by the Planning Commission of the City of Pittsburgh, it is herewith affirmed that the proposed five-story hospital addition located at 1400 LOCUST STREET, has properly met the standards as provided in the Pittsburgh Code, Section 993.01(a) D, and none of the following findings were made:

A. That the establishment, maintenance, location and operation of the proposed use will be detrimental to or endanger the public health, safety, morals, comfort or general welfare; and

B. That the proposed use will be injurious to the use and enjoyment of other property in the immediate

vicinity for the purposes permitted, nor substantially diminish or impair property values within the neighborhood; and

C. That the establishment of the proposed use will impede the normal and orderly development and improvement or surrounding property for uses permitted in that district; and,

D. That adequate utilities, access roads, drainage and other necessary facilities have not been or will not be provided; and

E. That adequate measures have not been or will not be taken to provide ingress and designated so as to minimize traffic congestion in the public streets; and

F. That the proposed use will not, in all other respects, conform to the application regulations or the district in which it is located.

SECTION 2. It is further stated that the following findings of the Planning Commission are herewith adopted:

A. The proposed is consistent with and supportive of the surrounding uses, which are all hospital or hospital related uses, and the size of the structure is compatible with surrounding structures; and,

B. The proposed use will not be injurious to the use and enjoyment or property in the immediate vicinity. Adjacent property values should not be affected by the proposed project; and

C. The proposal will not affect the orderly development of the surrounding property; and

D. Utilities and other facilities have been found to have adequate capacity for the proposed project; and

E. Traffic and parking studies have determined that traffic congestion will not be created from this project, since few new vehicle trips to the hospital are anticipated from the construction of this facility; and

F. In all other aspects, the, the proposed facility conforms to the applicable regulations of the "I-C" Institutional-Civic District except for the LOCUST STREET setback. However, the required setback of twenty-five (25') feet reduced to eleven (11") is consistent with the existing Mercy Professional Office Building and other buildings along LOCUST STREET.

SECTION 3. Under the provisions of Section 993.01(a)(8) of the Pittsburgh Code, approval is hereby granted to Mercy Hospital of Pittsburgh, for authorization to construct a five-story, 110,000 square feet addition, with a one-story penthouse and a front yard depth of eleven (11") inches along LOCUST STREET, to the existing hospital structure located at 1400 LOCUST STREET on property zoned "I-C" Institutional-Civic District, First Ward, City of Pittsburgh in accordance with Conditional Use Application No. 610 and accompanying drawings filed by MacLachlan Cornelius & Filoni, dated April 2, 1991, Drawing Numbers 1 through 3 and the enlarged elevation drawing, which are on file in the Office of the Zoning Administrator, Department of City Planning, and which are incorporated herein by reference thereto. The specific conditions are as follows:

CONDITIONS:

1. That prior to receipt of ■ Certificate of Occupancy, the Final Landscape Plan be reviewed and approved by City Planning staff;

2. That should the hospital lose the ability to park vehicles at the Civic Arena because of ■ termination in the lease or other circumstances, the Hospital provide at all times the parking spaces to meet the required Conditional Use zoning requirement for parking as indentified in the parking and traffic study submitted by Trans Associates.

No. 912. WHEREAS, Sickle Cell Disease is an inherited disease that affects the red blood cells. Rather than being round in shape, many of the red blood cells become sickle or moon shaped when they release oxygen to the tissues. When they are sickle shaped, the blood cells are fragile and rigid, making it hard for them to pass through blood vessels. They then tend to break down more rapidly than the body can replace them.

WHEREAS, the anemic and obstruction of blood flow account for most of the health problems that

individuals with this disease face every day of their lives. The most common and disturbing feature of the disease is the occurrence of pain attacks from the plugging of blood vessels. These attacks are unpredictable and vary in duration and severity. Some pain attacks necessitate hospitalization, blood transfusions and administering pain medications.

WHEREAS, Sickle Cell Disease was first discovered in 1910, a cure has not been found. Major strides in preventing the early deaths of children with Sickle Cell Disease have occurred in the past ten years, with newborns who have been diagnosed with the disease being given penicillin.

WHEREAS, Sickle Cell Disease affects all aspects of the patient's life. The recurrent and unpredictable nature of the disease can adversely affect both school and work performance. Support groups for patients and parents of children with Sickle Cell Disease are a necessary part of treatment of this chronic disease.

WHEREAS, September has been named "National Sickle Cell Month" in an effort to inform the public about this disease which affects over 25,000 Black Americans. Due to lack of information, many Sickle Cell trait carriers are unaware that they carry the disease. Screening programs are available nationwide and many of the states have adopted Sickle Cell screening as part of their state's mandatory newborn screening programs. Pennsylvania will add mandatory Sickle Cell screening within the next year.

WHEREAS, The Sickle Cell Program at Children's Hospital has provided medical care to children with Sickle Cell Disease since the early 1970's. At present, nearly 150 children are enrolled in The Sickle Cell Program

at Children's Hospital.

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Pittsburgh hereby declares Tuesday, September 24, 1991 as "Children's Hospital Sickle Cell Program Day" in the City of Pittsburgh.

(iii) The City and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to the Registered Owners under this Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by Registered Owners and for all other purposes whatsoever; and neither the City nor the Paying Agent shall be affected by any notice to the contrary. Neither the City nor the

Paying Agent shall have any responsibility or obligation to any participant in DTC any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being a Registered Owner, with respect to either: (1) the Bonds; or (2) the accuracy of any records maintained by DTC or any such participant; or (3) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (4) any notice which is permitted or required to be given to Registered Owners under this Resolution; or (5) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Bonds; or (6) any consent given or other action taken by DTC as Registered Owner.

(iv) So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Registered Owners under this Resolution shall be given to DTC as provided in the representation letter to be delivered to DTC, in form and content satisfactory to DTC and the City, which the Director of Finance is hereby authorized to execute.

(v) In connection with any notice or other communication to be provided to Registered Owners pursuant to this Resolution by the City or the Paying Agent with respect to any consent or other action to be taken by Registered Owners, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that the City or the Paying Agent may establish a special record date for such consent or other action. The City or the Paying Agent shall give DTC notice of such special record date not less than 15 calendar days in advance of such special

record date to the extent possible.

(vi) Any successor Paying Agent shall, in its written acceptance of its duties under this Resolution, agree to take any action necessary from time to time to comply with the requirements of the representation letter.

(vii) The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if either: (1) after notice to the City and the Paying Agent, DTC determines to resign as securities depository for the Bonds; or (2) after notice to DTC and the Paying Agent, the City determines that a continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interest of the City. In either of such events (unless in the case described in clause (2) above, the City appoints a successors securities despository), the Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the City or the Paying Agent for the accuracy of such designation. Whenever DTC requests the City and the Paying Agent to do so, the City and the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities despository to maintain custody of certificates evidencing the Bonds.

SECTION 7. Bond Register, Registrations and Transfer.

The City shall cause to be kept at the Office of the City Treasurer or at the principal corporate trust office of any Paying Agent other than the City register ("Bond Register") in which, subject to such reasonable regulations as it may prescribe, the City shall provide for the registration of Bonds and the registration of transfer and exchanges of

Bonds. No transfers or exchange of any Bond shall be valid unless made at such office and registered in the Bond Register.

Upon surrender of any Bond for registration of transfer, the City shall execute and the Paying Agent shall authenticate and deliver in the name of the transferee or transferees, a new Bond or Bonds of any authorized denomination, of the same interest rate and maturity, and in the same aggregate principal amount as the Bond so surrendered.

Any Bond shall be exchangeable for other Bonds of the same maturity and interest rate in any authorized denomination, in an aggregate principal amount equal to the principal amount of the Bond or Bonds presented for exchange. Upon surrender of any Bond for exchange, the City shall execute and the Paying Agent shall authenticate and deliver in exchange therefor the Bond or Bonds which the owner making the exchange shall be entitled to receive.

Each Bond issued upon any registration of transfer or exchange shall be a valid obligation of the City, evidencing the same debt and entitled to the same benefits under this Resolution as the Bond surrendered for such registration of transfer or exchange.

Every Bond presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer, in form and with guaranty of signature satisfactory to the City and the Registrar, duly executed by the Registered Owner thereof or his duly authorized agent or legal representative.

No service charge shall be made for any transfer or exchange of any Bond, but the City may require payment of a sum sufficient to cover any tax or other

governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The City shall not be required to: (a) issue, or register the transfer or exchange of, any Bond during a period of 15 business days before any date of selection of Bonds to be redeemed; or (b) register the transfer or exchange of any Bond after it has been selected for redemption.

SECTION 8. Execution and Authentication.

The Bonds shall be executed on behalf of the City by the Mayor, and shall have a facsimile of the corporate seal of the City affixed thereto, duly attested by the Director of Finance and countersigned by the City Controller and said officers are hereby authorized and directed to execute the Bonds. The Bonds shall be authenticated by the manual execution of the Certificate of Authentication by the City Treasurer or by a duly authorized officer of the Paying Agent if the City is not the Paying Agent. No Bond shall be valid until such Certificate of Authentication shall have been duly executed and such authentication shall be conclusive and the only proof that any Bond has been issued pursuant to this Resolution and is entitled to any benefits conferred thereon under the provisions of this Resolution. To the extent that any one signature on a Bond (including the signature of the officer of the Paying Agent) is manual, all other signatures may be by facsimile. The Director of Finance is hereby authorized and directed to deliver the Bonds to the purchaser and receive payment therefor on behalf of the City after sale of the same in the manner required by law and this Resolution.

SECTION 9. General Obligation Covenant.

The Bonds are hereby declared to be general obligations of the City. The City hereby covenants with the Registered Owners from time to time of the Bonds outstanding pursuant to this Resolution that it will include the amount of the debt service as specified in this Section, subject to appropriate adjustment in the event of the optional redemption of any Bonds prior to maturity, on the Bonds for each fiscal year in which such sums are payable, in its budget for that year, will appropriate such amounts for such payments and will duly and punctually pay or cause to be paid the principal of the Bonds and the interest thereon on the dates, at the places and in the manner stated therein, according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the City does hereby pledge its full faith, credit and taxing power. The amount of the debt service which the City hereby covenants to pay on the Bonds in each year is shown on Schedule B which is attached hereto and incorporated herein by reference as if set out here at length.

As provided in the Debt Act, the foregoing covenants are specifically enforceable.

SECTION 10. Redemption.

(b) Mandatory. The Series of 1991B Bonds are subject to mandatory redemption on the dates (each, ■ "Mandatory Redemption Date") and in the amounts shown on Schedule C. The City covenants to cause the Series of 1991B Bonds to be redeemed on the Mandatory Redemption Dates and in the amounts shown on Schedule C, subject to its right which is reserved in Section 11, to satisfy that obligation by delivering to the Paying Agent or Sinking Fund

Depository no later than forty-five (45) days before any Mandatory Redemption date, for cancellation, Series of 1991B Bonds.

(c) Notice. Notice of any redemption shall be given by mailing a notice of redemption by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date to the Registered Owners of Bonds to be redeemed at the addresses which appear in the Bond Register, provided, however, that neither failure to mail such notice nor any defect in the notice so mailed or in the mailing thereof with respect to any one bond shall affect the validity of the proceedings for the redemption of any other Bond. If the City shall have duly given notice of redemption and shall have deposited with the Sinking Fund Depository funds for the payment of the redemption price of the Bonds so called for redemption, with accrue interest thereon to the date fixed for redemption, interest on such Bonds shall cease to accrue after such redemption date.

(d) CUSIP Numbers. Notices of redemption shall contain the applicable CUSIP numbers pertaining to the Bonds called for redemption (if then generally in use), and shall also contain the serial identification numbers printed on the Bonds.

(e) Selection by Lot. If less than all Bonds maturing on any one date are to be redeemed at any time, the Paying Agent shall select by lot the Bonds to be redeemed at such time.

(f) Portions of Bonds. Any portion of any Bond of a denomination larger than \$45,000 may be redeemed, but only in the principal amount of \$5,000 or any integral multiple thereof. Prior to selecting Bonds for redemption, the Paying Agent shall assign numbers to each \$5,000 portion of any Bond of a denomination larger than \$5,000 and

shall treat each portion as a separate Bond in the denomination of \$5,000 for purposes of selection for redemption. Upon surrender of any Bond for redemption of a portion thereof, the City Treasurer or other Paying Agent shall authenticate and deliver to the Registered Owner thereof a new Bond or Bonds of the same maturity and in any authorized denominations requested by the Registered Owner in an aggregate principal amount equal to the Unredeemed portion of the Bond surrendered.

SECTION 11. Sinking Fund.

(a) Deposit. There is hereby established a sinking fund to be known as City of Pittsburgh, Pennsylvania Series of 1991 Bonds Sinking Fund ("Series of 1991 Bonds Sinking Fund") into which the City covenants to deposit and into which the Treasurer is hereby authorized and directed to deposit, (i) on or before September 1, 1992, and on or before each Interest Payment Date thereafter to and including the last date shown on Schedule B, amounts sufficient to pay the interest due on such dates on the Bonds then outstanding, and (ii) on or before September 1, 1992, and on or before each September 1 thereafter to and including the final maturity date shown on Schedule B, amounts sufficient to pay the principal of the Bonds due on each such date at maturity or pursuant to the mandatory redemption requirements hereof. Should the amounts covenanted to be paid into the Series of 1991 Bonds Sinking Fund be, at any time, in excess of the net amounts required at such time for the payment of interest and principal, whether by reason of funds already on deposit in the Series 1991 Bonds Sinking Fund or by reason of the purchase or redemption of Bonds, or for some similar reason, the amounts covenanted to be paid may be reduced to the extent of the excess.

(b) Credit for Bonds Delivered. The City may satisfy any part of its obligations with respect to clause (a) (ii) by delivering to the Sinking Fund Depositary, for cancellation, Bonds maturing or subject to mandatory redemption on the date on which such deposit is required. The City shall receive credit against such deposit for the face amount of the Bonds so delivered, provided that such Bonds are delivered to and received by the Sinking Fund Depositary (i) on or before the maturity date of the Bonds for which credit is requested, in the case of a deposit required for the payment of Bonds at maturity, or (ii) in the case of a deposit required to be made on a Mandatory Redemption Date, no later than 45 days prior to the Mandatory Redemption Date for which credit is requested.

(c) Application of Funds. All sums in the Series of 1991 Bonds Sinking Fund shall be applied exclusively to the payment of debt service covenanted to be paid by Section 10 hereof as the same from time to time become due and payable and the balance of said moneys over and above the sum so required shall remain in the Series of 1991 Bonds Sinking Fund, to be applied to the reduction of future required deposits; subject, however, to investment or deposit at interest as authorized by law. The Series of 1991 Bonds Sinking Fund shall be kept as a separate account at the principal corporate trust office of the Sinking Fund Depositary. The Sinking Fund Depositary, without further authorization other than as herein contained, shall pay from the moneys in the Series 1991 Bonds Sinking Fund, the interest on the Bonds as and when due to the Registered Owners on the appropriate Record Date and the principal, as and when the same shall become due, to the Registered Owners thereof, upon presentation and surrender.

SECTION 12. Deposition of Proceeds.

All moneys derived from the sale of the Bonds shall be Deposited in the Project Fund described in Section 20 hereof or to the City's Bond Fund and shall be and hereby are appropriated substantially to payment of the cost of the 1991 Capital Project, including but not limited to payment of the Notes, payment of the costs and expense of preparing, issuing and marketing the Bonds, and the payment of interest on the Bonds from October 1, 1991, to the date of delivery and shall not be used for any other purposes, except as to any insubstantial amounts of money which may remain after fulfilling the purposes set forth herein, which minor amounts of remaining moneys shall promptly upon their determination be deposited in the Series of 1991 Bonds Sinking Fund and used for the payment of interest on the Bonds.

SECTION 13. Cost and Realistic Useful Life.

Therefore, the maturities of the Bonds are in accordance with Sections 602(a)(2), 603 and 1103 of the Debt Act.

SECTION 14. Internal Revenue Code Covenants.

(A) General. The City hereby covenants with the Registered Owners, from time to time, of the Bonds that no part of the proceeds of the Bonds will be used, at any time, directly or indirectly, in a manner which, if such use had been reasonably expected on the date of issuance of the Bonds, would have caused the Bonds to be arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986 ("Code") and the Regulations thereunder proposed or in effect at the time of such use and applicable to the Bonds, and that it will comply with the requirements of that section and the Regulations throughout the term of the Bonds.

(b) Rebate. The City covenants that it will rebate to the U.S. Treasury, at the times, in the manner and to the extent required by the Code, all investment income derived from investing the proceeds of the Bonds in an amount which exceeds the amount which would have been derived from the investment of the proceeds of the Bonds at a yield not in excess of the yield on the Bonds.

(c) Filing. The City will file IRS Form 8038-G and any other forms or information required by the Code to be filed in order to permit the interest in the Bonds to be excluded from gross

income tax for federal income tax purposes.

The officers of the City or any of them, are authorized and directed to advertise a notice of adoption of this Resolution in a newspaper of general circulation in the City within fifteen (15) days after final adoption. The Director of Finance and the City Controller are hereby authorized to execute and approve a Final Official Statement relating to the bonds provided that the Final Official Statement shall have been approved by the City Solicitor. The distribution of the Preliminary Official Statement is hereby ratified and the Purchaser is hereby authorized to use the Preliminary and the Final Official Statements in connection with the sale of the Bonds.

SECTION 20. Project Account.

(a) Mellon Bank, N.A. is hereby designated as a depository for the funds of the City and is authorized to accept for deposit in an account known as the City of Pittsburgh Project Fund (the "Project Fund") in the name of the City, subject to clearance or collection, moneys, checks, drafts, notes, bills of exchange, acceptances, or other orders for the payment of moneys which may at any time come into its possession, with or without endorsement thereof by the City, payment thereof to the depository being hereby guaranteed. The depository hereinabove designated is authorized and directed to honor and pay, and to charge to the account of the City, all checks, drafts, bills or exchange acceptances, notes or orders for the payment of money when drawn on or addressed to said depository and signed and countersigned on behalf of the City by

either the City Controller or the Deputy Controller and either the City Director of Finance of the City Treasurer whether the same be payable to the order of, or in favor of the officer or person signing or otherwise; and whether the same be deposited to the individual credit of the officer or person signing or countersigning them, or to any of said officers in this individual capacity, or otherwise; and whether the same be deposited to the individual credit of the officer or person signing or countersigning or to the individual credit of any other officer or person otherwise. The City Clerk is authorized and directed to deliver a certified copy of this Resolution to the depository for the Project Fund. The depository shall be entitled to rely on such certified copy until written notice of revocation shall have been received by it. The signatures of any or all of the foregoing officers may be manual or facsimile.

(b) The net proceeds of the Bonds shall be deposited to the credit of the Project Fund. The City shall pay the costs of issuing the Bonds, to the extent not previously paid, out of the Project Fund.

In Order to have accrued interest paid by the Purchaser excluded from the calculation of the premium, the City agrees to cause the amount paid as accrued interest to be invested, to the extent required by the Bond Insurer, in direct obligations of the United States of America and maintained in the Series 1991 Bonds Sinking Fund until applied to the first interest payment on the Bonds. All terms and Conditions required by the commitment to be incorporated into this Resolution are incorporated herein by reference as if set out in full. This Resolution may not be amended without the written consent of the Bond Insurer.

The City in the Resolution authorized the issuance of the Bonds has covenanted with the registered owners, from time to time of the Bonds that the City will include the amount of the debt service charges on the Bonds of each fiscal year in which such sums are payable in its budget for that year, that it will appropriate such amounts to the payment of such debt service and will duly and punctually pay or cause to be paid the principal of every Bond, and the interest thereon, on the dates and at the places and in the manner stated in the Bonds according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the City has pledged its full faith, credit and taxing power. No. 1199. RESOLUTION approving a
Conditional Use Exception under Section
993.01(a)A(8) of the Pittsburgh Code,
Title Nine, Zoning, Article V, Chapter

993 to the Western Pennsylvania Hospital for authorization to construct a two-story extension to an existing two-story service Building, and new nine-story East Tower extension totalling approximately 148,000 square feet, both on property generally bounded by Friendship Avenue, Gross Street, Liberty Avenue, and South Mathilda Street and zoned "R4", Multiple-Family Residence District, 8th Ward.

WHEREAS, the Planning Commission of the City of Pittsburgh has made certain findings with regard to the conditions use application for the proposed two- and nine-story hospital extensions located at 4800 Friendship Avenue;

WHEREAS, the Planning Commission of the City of Pittsburgh has recommended approval of this application for Conditional Use;

WHEREAS, City Council has reviewed the record of the Planning Commission and herewith adopts the findings and recommendation of the Planning Commission.

NOW THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. Upon review the record as provided by the Planning Commission of the City of Pittsburgh, it is herewith affirmed that the proposed two- and nine-story hospital extensions located at 4800 Friendship Avenue have properly met the Standards as provided in the Pittsburgh Code Section 993.01(a)(D) and none of the following findings was made:

A. that the establishment, maintenance, location and operation of the proposed use will be detrimental to or endanger the public health,

safety, morals, comfort or general welfare; and

B. that the proposed use will be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes permitted, nor substantially diminish or impair property values within the Neighborhood; and

C. That the establishment of the proposed use will impede the normal and orderly development and improvement of surrounding property for uses permitted in that district; and

D. That adequate utilities, access roads, drainage and other necessary facilities have not been or will not be provided; and

E. that adequate measures have not been or will not be taken to provide ingress and egress designated so as to minimize traffic congestion in the public streets; and

F. that the proposed use will not, in all other respects, conform to the applicable regulations or the district in which it is located.

SECTION 2. It is further stated that the following findings of the Planning Commission are herewith adopted:

A. The proposed use is consistent with the supportive of the surrounding institutional uses, and the size of the structure is compatible with surrounding structures.

B. The proposed hospital expansion will not be injurious to the use and enjoyment of

property in the immediate vicinity. All property in the immediate vicinity contains compatible uses. Residential properties are sufficiently removed and, therefore, should not be affected by the proposed project.

C. The proposal will affect the orderly development of the surrounding property. The expansion is proposed for a site which is immediately surrounded by existing hospital uses and will involve demolition of an existing hospital structure to accommodate the expansion.

D. Utilities and other facilities have been found to have adequate capacity for the proposed project.

E. Vehicular egress and ingress for this project will be accommodated on a site which has been used as a parking lot, so that traffic congestion will not be worsened. In addition, further parking will be accommodated on a site which is removed from the hospital campus, in an area zoned for industrial uses.

F. In all other aspects, the proposed facility does conform to all other applicable regulations of the R4 district.

SECTION 3. Under the provisions of Section 993.01(a)(A)8 of the Pittsburgh Code, approval is hereby Granted to the Western Pennsylvania Hospital for authorization to construct a two-story extension to an existing two-story service building and a new nine-story East Tower extension with approximately 148,000 square feet located at 4800 Friendship Avenue on property zoned "R4", Multiple-Family

Residence District, 8th Ward, City of Pittsburgh, in accordance with Conditional Use Application No. 613 and accompanying drawings filed by HKS Architects dated October 1, 1991, which are on file in the Office of the Zoning Administrator, Department of City Planning, and which are incorporated herein by reference thereto. The specified conditions are as follows:

1. That prior to the receipt of a Building Permit, a Construction Management Plan is submitted and approved by City Planning staff.
2. That prior to the receipt of a Certificate of Occupancy:
 - a. The final design of the building elevations be reviewed and approved by the City Planning Commission;
 - b. That the Final Landscaping Plan be reviewed and approved by the City Planning Commission;
 - c. that the following traffic mitigation measures be implemented by the applicant according to the parking and traffic studies by Trans Associates, as revised, dated September 27, 1991:
 1. Design and construction of a traffic signal at Liberty Avenue at Winebiddle Street;
 2. Restriping of the northbound and southbound approaches of Millvale Avenue at Liberty Avenue;
 3. Retiming of signals at Liberty Avenue and Millvale Street.
 4. Retiming of the traffic signals

at Liberty and Millvale Avenues.

d. That a Parking Management Plan providing for a specified reduction in a parking demand be reviewed and approved by City Planning staff and implemented upon occupancy of the new structures.

No. 1200. RESOLUTION approving a Conditional Use Exception under Section 993.01(a)(7) of the Pittsburgh Code, Title Nine, Zoning, Article V, Chapter 993 to the Public Parking Authority for authorization to construct a five-level parking structure containing 208 stalls with three levels above grade, one at grade, and one below grade located at 714-734 BELLEFONT STREET, on property zoned "R4" Multiple-Family Residence District, 7th Ward.

WHEREAS, the Planning Commission of the City of Pittsburgh has made certain findings with regard to the Conditional Use Application for the proposed parking garage located at 714-734 BELLEFONT STREET;

WHEREAS, the Planning Commission of the City of Pittsburgh has recommended APPROVAL of this application for Conditional Use;

WHEREAS, City Council has reviewed the record of the Planning

Commission and herewith adopts the findings and recommendation of the Planning Commission;

NOW THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. Upon review of the record as provided by the Planning Commission of the City of Pittsburgh, it is herewith affirmed that the proposed parking garage located at 714-734 BELLEFONT STREET has properly met the standards as provided in the Pittsburgh Code, Section 993.01(a)(7), and none of the following findings were made:

A. That the establishment, maintenance, location and operation of the proposed use will be detrimental to or endanger the public health, safety, morals, comfort or general welfare; and

B. That the proposed use will be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes permitted, nor substantially diminish or impair property values within the neighborhood; and

C. That the establishment of the proposed use will impede the normal and orderly development and improvement of surrounding property for uses permitted in that district; and,

D. That adequate utilities, access roads, drainage and other necessary facilities have not been or will not be provided; and,

E. That adequate measures have not been or will not be taken to provide ingress and egress designated

so as to minimize traffic congestion in the public street; and,

F. That the proposed use will not, in all other respects, conform to the applicable regulations of the district in which it is located.

SECTION 2. It is further stated that the following findings of the Planning Commission are herewith adopted:

A. The proposed garage is located on a site currently used as parking facility, and studies have determined that the increase in the number of vehicles will not negatively impact the surrounding area. In addition, since the new parking facility will be an entirely enclosed structure, as opposed to the open parking lot currently on the site, the visual impact on the neighboring properties will be lessened. The garage will contain only one access and egress point, so that potential safety problems are minimized; and,

B. The proposed parking facility will not be injurious to the use and enjoyment of other property in the immediate vicinity, since the garage design has appropriately addressed impacts on adjacent properties through substantial landscaping, the use of the minimize required openings for ventilation, and an architectural design which fits the scale and character of the surrounding residential street. For these reasons, residential property values should not be affected by the proposed project; and,

C. The proposed will not affect the orderly development of surrounding property. The property upon which the proposed building will be built is currently a surface parking lot, and would be built entirely within the bounds of that lot. With the commitment to not allow the garage to be used to meet the parking requirement for future development, the orderly development of the area will not be affected; and,

D. Utilities and other facilities have been found to have adequate capacity for the proposed project; and,

E. Vehicular egress and ingress for this project occurs at only one location, where the existing access point is located. This location is the furthest possible from the residential neighborhood, and adjacent to the commercial district which is served by the project. The traffic impact study has also determined that the increase in the number of vehicles will not have a detrimental impact on adjacent street, even if all traffic exiting the garage must turn right; and,

F. In all other aspects, the proposed facility does conform to all other applicable regulations of the "R4" district which permits a government facility as a Conditional Use

SECTION 3. Under the provisions of Section 993.01(a)(7) of the Pittsburgh Code, approval is hereby granted to the Public Parking Authority of Pittsburgh, for authorization to construct a five-level parking structure containing 208 stalls with three-levels above grade, one at grade, and one-below grade, located at 714-734 BELLEFONT

No. 1293. RESOLUTION requesting the Chief Justice of the Supreme Court of Pennsylvania to exercise his powers to devise and implement a plan whereby the functions of City Court, Traffic Court and Housing Court can be integrated into

the system of District Justices in effect throughout the City.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. This Council hereby takes notice that since 1970 the taxpayers of the City of Pittsburgh have been obligated to provide funds for the operation of City Court (also known as Pittsburgh Magistrates Court), including Traffic Court and Housing Court, and that the City of Pittsburgh is the only municipality within the Commonwealth of Pennsylvania that operates its own judicial system.

SECTION 2. This Council is aware of the existence of magisterial districts now existing within the boundaries of the City of Pittsburgh, each of which has its own district court in which an elected district justice presides. This Council ☐ further aware of the fact that each of these district courts is funded by the Commonwealth of Pennsylvania and the County of Allegheny and that the taxpayers of the City contributes to the funding of these district courts in their capacities as state and county taxpayers.

SECTION 3. This Council takes notice that each of these district courts has the jurisdiction to exercise all of the functions now exercised by City Court, Traffic Court and Housing Court.

SECTION 4. This Council desires to see the functions now exercised by City Court, Traffic Court and Housing Court, transferred to the district courts so that the taxpayers of the City are no longer burdened by having to fund a duplicative judicial system.

SECTION 5. This Council is aware of the fact that certain interested persons such as the Chief of Police and the Honorable Robert E. Dauer, Judge of

the Court of Common Pleas of Allegheny County, and several of his colleagues on the bench have expressed concern as to the chaos that would result if this legislative body were to simply cease funding City Court, Traffic Court and Housing Court, and this council recognize its duty to exercise its discretion over the City's budget in such a manner as to minimize any inconvenience to the City's residents.

SECTION 6. This Council hereby requests the Chief Justice of the Supreme Court of Pennsylvania to use his power as overseer of the unified judicial system and to appoint one or more persons to design a plan that would enable City Court, Traffic Court and Housing Court to be integrated in the statewide system of district justice court and to use the services of the district justice who are elected by the residents of this City.

SECTION 7. This Council respectfully requests that such a plan be in effect no later than June 30, 1992, so that the taxpayers of this City need be burdened no longer by being required to spend millions of dollars a year to maintain a judicial system which merely duplicates what is done elsewhere in Pennsylvania at the cost of commonwealth and the counties.

SECTION 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affect this Ordinance.

Passed December 20, 1991

Approved January 8, 1992

I do hereby certify that the foregoing resolution duly engrossed and certified, was delivered by me to the Mayor for her approval or disapproval and that the Mayor failed to approve or

disapprove the same, whereupon it became law without her approval, under the provisions of the Act. of Assembly in such case made and provided.
